

MOTTO

The institute's motto 'Virtue, Knowledge and Art' succinctly summarises its objectives:

'Virtue' stands for moral excellence and integrity of character.

'Knowledge' stands for learning, understanding and competence.

'Arts' stands for creativity, imagination and aesthetic sense.

We believe that these three elements are indispensable for success in one's career and happiness.

OUR VISION

in SIGA the entire initiative of life program of Education, Enterprise, Employment and Empowerment is born of a need of the times.

We envision people with disabilities, socio economic, culturally and educationally disadvantaged to improve their quality of life and safeguard their dignity that is theirs.

OUR MISSION

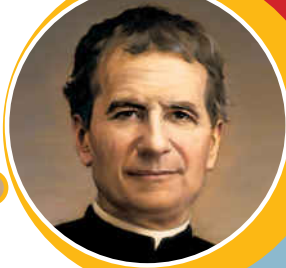

Our Mission is to offer formal, non formal continuing education and skill based programs to meet the needs of the industry in printing technology and related fields to the under privileged students by following a pedagogy and preventive system of Don Bosco.

We Strive to make our students:

God loving, good and honest citizens.

Technically sound and socially responsible in all their dealings. Improve their socio-economic status to lead a quality of life.

Empowered with life coping skills and become a successful entrepreneur. Our core philosophy is to foster virtue, knowledge and art.
