

# ADMISSIONS OPEN

WWW.SIGAINDIA.COM

Dear Fr,

Greetings from SIGA Polytechnic College, Kilpauk, Chennai-10

We wish you that the season of Easter brings peace and joy in your life and in the parochial community.

As you might know, we the Salesians of Don Bosco (SDB) are running SIGA Polytechnic College, a premier institute of Printing Technology for the past 60 years. Keeping in mind the instruction from CBCI and the Provincial directions, we go all out to serve the deserving catholics.

Please recommend the most deserving catholics of your parish to make use of this opportunity. The candidate should have passed SSLC.

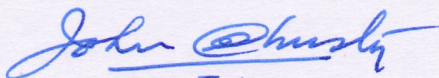

The application forms are available at SIGA website for the academic year 2018-2019. The candidates can apply through online and submit the printout at the college office. Those who are unable to use internet can come to SIGA POLYTECHNIC COLLEGE, along with their certificates. We shall help them to apply online. The mandatory documents are attached herewith (see Annexure 2).

Please fill the Annexure 1 yourself, with your office seal and signature to recommend the candidate. We give special consideration for the SC/ST/converted Christians, Orphan, Semi-Orphan and Catholic candidates. The Candidate has to attend the **selection camp** for three days (from 28.05.2018 to 30.05.2018) and **interview with the parents on 31.05.2018**. The selection camp will screen candidates for the minimum capacity to learn Maths, English, Drawing and Printing skills.

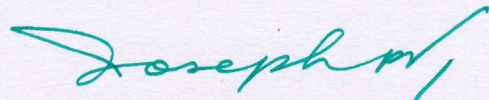

There is a constant growth in salary package for the SIGA trained students in the field of design, printing and packaging. Kindly send the most deserving students from your parish.

**NB: You can photocopy Annexure 1 as per your requirements.**

Yours in Risen Christ

Rev. Fr. John Christy, SDB  
Rector

Rev. Fr. P.T. Joseph, SDB  
Principal
