Internship program on English Communication Skills

08/11/2023 to 24/11/2023.

Internship program on English Communication Skills: It is great to hear that SIGA Polytechnic College is providing A Two Week Internship program for developing our students' English communication skills from 08th Nov. 2023 to 24th Nov. 2023.

This is especially important for students from rural underprivileged areas, who may not have had the same exposure to English as students from urban areas. Our Third Year GDC students

were divided into two groups and First group is undergoing English Communication Skills training in Don Bosco Shiharam in Tiruvannamalai District and second group is in our college campus headed by Mr. Manojkumar, from Caliber Academy.

The two-week internship program on English communication skills for third-year GDC students is a great initiative. It is good to see that the students are focused on basic grammar and LSRW skills.

Don Bosco SIHARAM,

P.B. 03, Adaiyur Village, Kanji Road, Vengikkal (S.O.), Thiruvannamalai Dt., 6060 604. Cell: 8754286786 6383360118 Email: rector.dbsiharam@sdbchennai.org

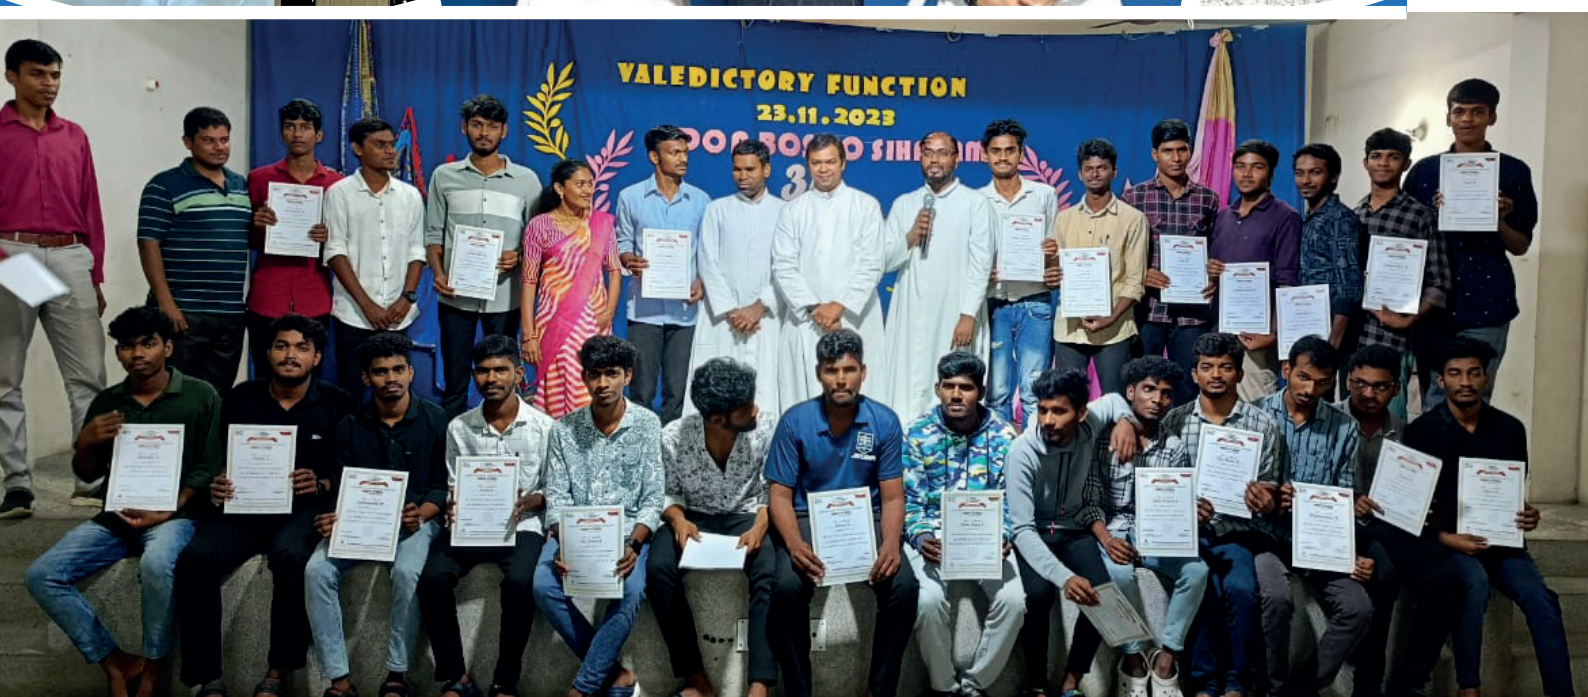

These are all essential skills for success in the workplace, and they will be especially important for students who are looking to be employed across the world.

Our students are confident that this internship program will be very beneficial for the students.

It is clear that the college management is committed to making its students employable, and this program is a great example of that commitment.

College management would like to congratulate Rev. Fr. Lio Charles SDB the Vice Principal, Mr. J. Ignatius Adaikalaraj, Head of the department Printing Technology and Mr. Wasim Raja, Lecturer in Printing Technology for their efforts to develop English communication skills of our students. This is a valuable investment that will pay off in the long term for both the students and the college.
